In the summer of 2010, the Saint Joseph's Basketball Program wants to be an integral part of your son's development both on and off the court. Our camp's ultimate goal is to offer you the BEST camp features with a unique opportunity to IMPROVE. Our program is built on consistently getting better in the classroom and on the court. As a staff, we hope to share in the camp experience with your son and to develop his basketball and personal skills during our 2010 summer camp program. We look forward to seeing you this summer!

Attached you will find a basketball camp brochure for Phil Martelli's 2010 summer camp program. Please take the time to review the camp brochure and gauge your interest in the camps that we are offering this summer. Feel free to forward our camp brochure via e-mail to any family, friends, or associates who are interested in our camp program.

Phil Martelli's Basketball Camps uphold the same standards of excellence that we are accustomed to at Saint Joseph's University. During each week of camp, our staff strives to accomplish three goals for our individual campers: Have fun and meet new friends, daily improvement in learning the game of basketball, and enhancing life skills for betterment on and off the court. To accomplish these three objectives for our individual campers, Phil Martelli instills the values of leadership, communication, work ethic, and respect in each member of his working staff. The Saint Joseph's Basketball Program takes great pride in its summer basketball camps, and we want YOU to be the next part of our growing tradition of excellence.

If we can be of any assistance to you with selection of the camp process, please give me a call at 610-660-1961. We look forward to seeing you at camp this summer and becoming the newest member of the Saint Joseph's Basketball Family. The Hawk Will Never Die!

All the best,

Robert E. Sullivan
